Lattice to Showcase Next Gen Automotive Sensing Innovations at AutoSens Europe 2026

September 14, 2026

HILLSBORO, Ore.--(BUSINESS WIRE)--Sep. 14, 2026-- Lattice Semiconductor (NASDAQ: LSCC), the low power programmable and platform firmware leader, today announced its exhibition plan for the upcoming AutoSens Europe 2026, taking place on Sept. 22 – 24, 2026, in Barcelona, Spain.

As part of the event, Lattice will deliver a technical presentation and host a demo showcase focused on how its low power FPGA solutions are enabling next-generation automotive sensing, ADAS, and in-vehicle networking applications.

- **Who:** Lattice Semiconductor
- **What / When (GMT+2):**
  - Sept. 22 – 24, 2026
  - Lattice Demo Showcase at Booth #215 from local dimming, camera monitoring system, sensor security, and more.
  - Presentation (Sept. 23 at 2:30 p.m., Room 5)
    - “Efficient 360° threat detection for parked vehicles – A distributed, event-driven approach”
- **Where:**
  - La Farga de L’Hospitalet, Barcelona, Spain

AutoSens Europe is the automotive industry's premier conference and exhibition for perception systems, ADAS, and autonomous vehicle technology. Bringing together over 1,000 engineers, innovators, and decision-makers from across the automotive supply chain, AutoSens Europe 2026 features more than 60 expert speakers, technical case studies, and an exhibition showcasing cutting-edge sensing and computer vision solutions.

About Lattice Semiconductor

Lattice Semiconductor (NASDAQ: LSCC) is the low power programmable and platform firmware leader. We solve customer challenges from the Edge to the Cloud, in the growing Compute, Communications, Industrial, and Embedded markets. With the addition of AMI's industry-leading, silicon-neutral platform firmware and infrastructure manageability solutions, Lattice now delivers the industry's most complete secure management and control platform for cloud and AI data center infrastructure. Our technology, long-standing relationships, and commitment to world-class support let our customers quickly and easily unleash their innovation to create a smart, secure, and connected world. For more information about Lattice, please visit www.latticesemi.com and follow us via LinkedIn, X, YouTube, Facebook, WeChat, and Weibo.
