UNITED STATES SECURITIES AND EXCHANGE COMMISSION

Washington, DC 20549

FORM 8-K

CURRENT REPORT
Pursuant to Section 13 or 15(d) of The Securities Exchange Act of 1934

Date of Report (Date of earliest event reported)
October 21, 2026

Lattice Semiconductor Corporation

(Exact name of registrant as specified in its charter)

Delaware	**000-18032**	**93-0835214**
(State or other jurisdiction of incorporation)	(Commission File Number)	(IRS Employer Identification No.)

5555 NE Moore Court
Hillsboro, Oregon 97124
(Address of principal executive offices, including zip code)

(503) 268-8000
(Registrant's telephone number, including area code)

N/A
(Former name or former address, if changed since last report)

Check the appropriate box below if the Form 8-K filing is intended to simultaneously satisfy the filing obligation of the registrant under any of the following provisions (see General Instruction A.2. below):

☐ Written communications pursuant to Rule 425 under the Securities Act (17 CFR 230.425)

☐ Soliciting material pursuant to Rule 14a-12 under the Exchange Act (17 CFR 240.14a-12)

☐ Pre-commencement communications pursuant to Rule 14d-2(b) under the Exchange Act (17 CFR 240.14d-2(b))

☐ Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Securities registered pursuant to Section 12(b) of the Act:

Title of each class	Trading Symbol	Name of each exchange on which registered
Common Stock, $.01 par value	LSCC	NASDAQ Global Select Market

Indicate by check mark whether the registrant is an emerging growth company as defined in Rule 405 of the Securities Act of 1933 (§230.405 of this chapter) or Rule 12b-2 of the Securities Exchange Act of 1934 (§240.12b-2 of this chapter).

Emerging growth company ☐

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act. ☐

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On October 21, 2026, the Board of Directors (the "Board") of Lattice Semiconductor Corporation (the "Company") increased the authorized number of directors on the Board from 8 to 10 and appointed John McCool, age 67, and Raejeanne Skillern, age 56, to the Board, effective October 21, 2026. The Board has not yet determined the committees of the Board to which Mr. McCool and Ms. Skillern will be appointed. The Board has determined that each of Mr. McCool and Ms. Skillern is independent under the applicable listing standards of The Nasdaq Stock Market LLC.

In connection with their service as directors, Mr. McCool and Ms. Skillern will each be entitled to the Company's customary compensatory arrangements for non-employee directors, including an annual cash retainer of $80,000 for Board service. In addition, each of Mr. McCool and Ms. Skillern will be granted a restricted stock unit ("RSU") award with a fair market value of $220,000 on the date of grant, prorated to reflect the number of months of service on the Board from the date of appointment to the date of the Company's next annual meeting of stockholders, pursuant to the terms of the Company's 2011 Non-Employee Director Equity Incentive Plan (each, an "Award"). The RSUs subject to each Award will vest on May 4, 2027, subject to the director's continued service to the Company through such date. Each of Mr. McCool and Ms. Skillern will also enter into the Company's standard form of indemnification agreement.

Ms. Skillern previously served as a member of the Board from September 2022 to May 2024.

There are no arrangements or understandings between either Mr. McCool or Ms. Skillern and any other person pursuant to which either was selected as a director. In addition, there are no transactions in which either Mr. McCool or Ms. Skillern has an interest that would require disclosure under Item 404(a) of Regulation S-K. Neither Mr. McCool nor Ms. Skillern has any family relationship with any of the Company's directors or executive officers.

Item 7.01. Regulation FD Disclosure.

On October 22, 2026, the Company issued a press release in connection with the matters described above. A copy of the press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The information set forth under this Item 7.01, including Exhibit 99.1 attached hereto, shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, regardless of any general incorporation language in such filing, unless expressly incorporated by specific reference in such filing.

Item 9.01. Financial Statements and Exhibits.

(d) Exhibits

The following exhibits are being furnished herewith:

Exhibit No.	Description
99.1	Press Release, dated October 22, 2026 (furnished herewith).
104	Cover Page Interactive Data File (formatted as Inline XBRL).

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.

Lattice Semiconductor Appoints John McCool and Raejeanne Skillern to Board of Directors

HILLSBORO, Ore. – Oct. 22, 2026 – Lattice Semiconductor (NASDAQ: LSCC), the low power programmable and platform firmware leader, today announced the appointment of John McCool and Raejeanne Skillern to the Company's Board of Directors effective Oct. 21, 2026.

Both bring strong experience driving growth at top-tier public companies. Mr. McCool has more than four decades of experience in semiconductors, networking, and systems engineering, and extensive operating experience leading hardware engineering, manufacturing, and supply chain organizations. Ms. Skillern, who previously served on the Lattice Board from 2022 to 2024, brings more than 30 years of experience in cloud, data center infrastructure, and artificial intelligence.

Mr. McCool is currently Senior Vice President and Special Advisor to the Chief Executive Officer at Arista Networks, Inc. Prior to that role, he served as Arista's Senior Vice President and Chief Platform Officer, where he was responsible for hardware engineering, manufacturing operations, and supply chain. Before joining Arista, Mr. McCool served as Senior Vice President and General Manager of DSSD at Dell EMC and as President and Chief Executive Officer of Firetide. He previously held senior vice president and general manager roles at Cisco Systems, including leading its data center switching business, and earlier held engineering leadership roles at SynOptics, NeXT Computer, and AMD.

Ms. Skillern is the former Vice President and Chief Marketing Officer of Amazon Web Services, where she led the worldwide marketing organization. Previously, she was President of the Communications, Enterprise & Cloud division at Flex Ltd. Earlier in her career, she spent 25 years at Intel Corporation, where she held a series of marketing and general management roles, including Vice President and General Manager of the Cloud Service Provider Group. Ms. Skillern currently serves on the boards of directors of Jabil Inc. and Dycom Industries, Inc.

Jeff Richardson, Lattice's Chairman of the Board, stated, "We are very pleased to have John and Raejeanne join our Board of Directors, particularly given their deep experience in networking, cloud and data center infrastructure and in leading technology businesses at scale. We are especially glad to welcome Raejeanne back. We look forward to both of their contributions as Lattice continues to execute on its long-term growth strategy."

Forward-Looking Statements Notice:

The foregoing paragraphs contain forward-looking statements that involve estimates, assumptions, risks and uncertainties. Any statements about our expectations, beliefs, plans, objectives, assumptions or future events or performance are not historical facts and may be forward-looking. Such forward-looking statements include, but are not limited to, statements relating to the Company's continued execution on its long-term growth strategy. Other forward-looking statements may be indicated by words such as "will," "could," "should," "would," "may," "expect," "plan," "project," "anticipate," "intend," "forecast," "future," "believe," "estimate," "predict," "propose," "potential," "continue" or the negative of these terms or other comparable terminology.

Actual results may differ materially from our expectations and are subject to risks and uncertainties that relate more broadly to our overall business, including those risks more fully described in Lattice's filings with the SEC including its Annual Report on Form 10-K for the fiscal year ended January 3, 2026, and Lattice's quarterly reports filed on Form 10-Q. Lattice believes these and other risks and uncertainties could cause actual results to differ materially from the forward-looking statements. You should not unduly rely on forward-looking statements because actual results could differ materially from those expressed in any forward-looking statements. In addition, any forward-looking statement applies only as of the date on which it is made. The Company does not intend to update or revise any forward-looking statements, whether as a result of events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.

About Lattice Semiconductor

Lattice Semiconductor (NASDAQ: LSCC) is the low power programmable and platform firmware leader. We solve customer challenges from the Edge to the Cloud, in the growing Compute, Communications, Industrial, and Embedded markets. With the addition of AMI's industry-leading, silicon-neutral platform firmware and infrastructure manageability solutions, Lattice now delivers the industry's most complete secure management and control platform for cloud and AI data center infrastructure. Our technology, long-standing relationships, and commitment to world-class support let our customers quickly and easily unleash their innovation to create a smart, secure, and connected world.
